Subject: Offering assistance during this public health emergency

Hello Dr. Fauci:

As the coronavirus continues to be a public health emergency, the American Lung Association is closely following guidance and reports being issued by NIAID, WHO, and CDC. Our Association is working to help relay important public health information provided by the various agencies.

As Chief Medical Officer for the American Lung Association, and with the full support of our CEO, Harold Wimmer, and our Board of Directors, I would like to offer the American Lung Association support on strategies that would be appropriate for our organization to participate in or communicate.

I am happy to discuss any potential opportunities in which you feel we may be of assistance.

Sincerely,

Albert A. Rizzo MD FACP FCCP
Chief Medical Officer
