**Subject:** FW: coronavirus speaking opportunity

Obviously given the current environment (not to mention some of the names involved in the event), I want to make sure I'm in lockstep with you all from square one. How would you like me to proceed with the request below? The event is open to the public / press.

Dear Dan,

Sorry, we have changed something slightly. Instead of taking questions directly from the audience, we will obtain questions from the audience via email while the first part of the event occurs, curate them, and then have them available for Senator Lieberman to ask them of the speakers.
