Bart:

I would be happy to talk to him about Shelly. People like to make stories as opposed to reporting on a story. Shelly was one of my best friends and mentor, but I was me way before I met Shelly, and so I am not really sure what he means by saying that Shelly "...helped turn Dr. Fauci into the person he is today".

Best,  
Tony

Of course the reason I am asking is that it is presumptuous for me to talk to him about shellys influence on you....perhaps I should just refer him to you?

Don't want to do anything either inappropriate, non helpful or what you don't want. Best bart

Dr. Haynes,

I'm a reporter from the Wall Street Journal and, more important, a friend of Ben's from Duke. I've written quite a bit about your mentor and friend Dr. Fauci in the last few weeks, and I'm working on another story now that I was hoping you might be able to help with.
