Dear Dr. Fauci:

Thank you for your incredible dedication & expertise in dealing with the coronavirus situation. My concern is that when the President & the virus team and others are seen together they stand close together & shake hands. This has been ill advised by all the medical experts, including you.

I am hoping you and the other experts will strongly advise changes in this behavior in accordance with current recommendations. We need them to set a good example for all.

Many thanks for your help - it is greatly appreciated.
