**Subject:** Provider's question!

Dear Dr. Fauci,

I am one of the UCSF neonatologist and I have been (b) (6)  
(b) (6) I  
am (b) (6) now. As you know, in neonatal intensive care unit at least  
one parent stays at bedside. Considering the recent coronavirus  
outbreak, I am (b) (6) for both potential patient (b) (6)  
(b) (6) and staff exposures. I appreciate your advice and  
recommendation for (b) (6) who is working  
in an intensive care unit. Since I have to go to work, do I need to have  
extra percussions besides hand washing? If so, what would you  
recommend?

I appreciate your help.

Thanks,

Nahid Rostami
