Dear Dr. Fauci,

We greatly appreciate your willingness to participate in the 2020 Stanford Drug Discovery Symposium (SDDS). As you undoubtedly know, with the further spread of the novel coronavirus COVID-19, Stanford is taking precautionary measures to minimize any preventable spread of this viral disease. After much consideration, we feel it is in the best interest of our speakers, guests, and community to cancel the April 20-21, 2020, symposium.

We apologize for the inconvenience this may cause in your schedules. We do hope that you will agree to be our guest speaker NEXT year for our April 19-20, 2021. As soon as your schedule allows, please let us know if you would be able to speak at our 2021 SDDS meeting.
