Hi Tony,

I hope that you are doing well despite all that you are dealing with around COVID-19. It has been many years since I had the opportunity to work with you but my job at NIAID was one of my favorite positions and gave me a great start to my career. So, when I saw the below graphic, it made me smile and I wanted to send you a note.

I truly appreciate how you are handling the COVID-19 situation. Your comments are a breath of fresh air amidst politics and uncertainty. With daily White House press briefings, increased security and scrutiny, 24/7 media interviews and great popularity, you seem to be holding up well - as you always do. Your recent interview with JAMA's Editor-in-Chief Howard Bauchner was particularly well done and very enlightening.
