Subject: RE: genetic screening

Peter:

Thanks for the note. This would not be feasible in an outbreak setting if you are talking about GWAS or any kind of sequencing. Things would be moving too quickly.

Best,
Tony

Dear Dr. Fauci,

I watched you and Dr. Collins (via videocast) with admiration and pride yesterday during President Trump's visit to the NIH.

This morning, (b) (6) and I were discussing the spread of COVID-19. We were opining about why some people only have mild symptoms while others go on to develop ARDS. While we understand that age is a factor, we wondered (b) (5)
