Dear Dr. Fauci--

I fully agree with Dr. Lynn's message. I have been following your commentary on the current COVID-19 pandemic. Our Dean, Dr. Augustine Choi, has also been a major positive voice at WCM, communicating frequently with our community and, in his role as an expert in pulmonary diseases, echoing your messages at WCM as we struggle to educate students and trainees and manage the overwhelming questions and administrative issues that present themselves at this time. The measures he has implemented at WCM have been scientifically sound and commensurate with national expert (yours included) recommendations.

As a member of the Board of Directors of the Alumni Association, I am also so proud of your work in this critical time for our nation. I'm sure WCM is appreciative of your representing the quality of your training, career experience, scientific thinking, and academic acumen in your advice to the nation and its people in these challenging times.

The Alumni Association has recognized your work in the past, but your continued efforts speak so well to the excellence in the rigor and standards of the
