Dear Dr. Fauci,

I am writing to you because I have a question regarding Covid-19. How come you do not tell the complete truth to the American people regarding this virus? All I hear is the bad facts about it. Why not give people some help and tell us the good facts about it? Good facts such as the number of actual patients is very small compared to the whole population, most people who get it make a full and complete recovery. Are you enjoying the senseless panic you made? Panic where people are hoarding food/goods, stealing full shopping carts from the elderly, losing their jobs/wages, inadequate education now that schools are closed.

The number of people who will actually be sickened by the virus will be dramatically dwarfed by the people who lose their jobs, receive a poor education despite their teachers best efforts and miss out on once in a lifetime events such as weddings, graduations, communions.

What you are doing is not right for the American people!! You need to stop playing GOD and tell the people the complete truth!! The country and the people need to get back to our normal lives NOW!!

Sincerely,

Ann Beloten
